creator Crockett Johnson comes the timeless classic Harold and the Purple Crayon! This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an oversize purple crayon, young Harold draws himself a landscape full of wonder and excitement. Harold and his trusty crayon travel through woods and across seas and past dragons before returning to bed, safe and sound. Full of funny twists and surprises, this charming story shows just how far your imagination can take you. In an inexplicable worldwide event, forty-seven extraordinary children were spontaneously born by women who'd previously shown no signs of pregnancy. Millionaire inventor Reginald Hargreeves adopted seven of the children; when asked why, his only explanation was, "To save the world." These seven children form The Umbrella Academy, a dysfunctional family of superheroes with bizarre powers. Their first adventure at the age of ten pits them against an erratic and deadly Eiffel Tower, piloted by the fearsome zombie-robot Gustave Eiffel. Nearly a decade later, the team disbands, but

The searing, visionary memoir of founding Black Panther Huey P. Newton, in a dazzling graphic package Tracing the birth of a revolutionary, Huey P. Newton's famous and oft-quoted autobiography is as much a manifesto as a portrait of the inner circle of America's Black Panther Party. From Newton's impoverished childhood on the streets of Oakland to his

Put your flawed foot forward. Pick up most leadership books and you'll find strategies for leveraging your power and minimizing your areas of weakness. But think about the leaders whose names have gone down in history. Most of them were so messed up that, if they were looking for work today, no executive placement service would give them the time of day. God's criteria for choosing leaders runs counter to the conventional wisdom. Our culture equates strength with effectiveness, but God favors leaders who know the value of brokenness. In *Leading With a Limp*, you'll discover what makes flawed leaders so

successful. They're not preoccupied with protecting their image, they are undaunted by chaos and complexity, they are ready to risk failure in moving an organization from what is to what should be. God chooses leaders who aren't deceived by the myths of power and control, but who realize that God's power is found in brokenness. If you are a leader—or if you have been making excuses to avoid leading—find out how you can take full advantage of your weakness. A limping leader is the person God uses to accomplish amazing things. To go deeper, check out the *Leading With a Limp Workbook*.
