The further escapades of four animal friends who live along a river in the English countryside--Toad, Mole, Rat, and Badger.

When a formidable female enters the comfortable bachelor world of the River Bank and seems to win Toad's heart, his companions attempt to save their infatuated friend from himself.

The twelve days of Christmas are fast approaching and Mole is planning to enjoy every one of them with his River Bank friends. So when the normally cheerful Toad despairs at the arrival of Mrs. Ffleshe, an impossibly rude houseguest who every year sets out to protect Toad from overindulgence, Mole must do something about it. But the plan he hatches with Ratty, Badger, and Otter goes horribly wrong. With the prospect of spending Christmas in jail, Mole will have to work hard if he is to salvage some Christmas spirit for his friends. The Willows at Christmas is the crowning achievement of William Horwood's enchanting sequels to Kenneth Grahame's *The Wind in the Willows*.
