The Checks And Balances System A Worksheet Answers

Two important safeguards in the operation of our Federal government are (1) separation of power and (2) checks and balances. They are not the same thing. Separation of Power means that the Federal government is divided into 3 separate branches, each operating independently. The three branches of government are the legislative branch (Congress - the House and Senate), the executive branch (the President, Vice President, and Cabinet), and the judicial branch (The Supreme Court.)
