The AP World History exam covers more than just the history of the entire world, which is comprehensive enough to start with. It also tests your ability to analyze and draw conclusions from what you learn. The AP World History exam is usually used in one of two ways: it can replace a college-level world history class, transferring the credits you gain in high school to your college record; or it can be used to determine which level of world history class you'll take in college.
