Cambridge O Level Principles of Accounts has been designed specifically to meet the requirements of the Cambridge syllabus. Cambridge O Level Principles of Accounts has been written specifically for the Cambridge O Level Accounting syllabus. Accounting principles and practices have been explained in simple language to enhance the accessibility of the contents to students whose first language is not English. The book reflects the changes in the O Level Principles of Accounts syllabus and applies international accounting terminology.

This volume of official SQA past papers is designed to help you prepare fully for your exams. It contains a wide variety of actual exam questions and helps you practise in all topic areas and build up your confidence.

"A pleasure to read and nearly impossible to put down." -Army Times "Embodies an experience that many have enjoyed in fantasy-few in reality." -The Washington Post The French Foreign Legion-mysterious, romantic, deadly-is filled with men of dubious character, and hardly the place for a proper Englishman just nineteen years of age. Yet in 1960, Simon Murray traveled alone to Paris, Marseilles, and ultimately Algeria to fulfill the toughest contract of his life: a five-year stint in the Legion. Along the way, he kept a diary. Legionnaire is a compelling, firsthand account of Murray's experience with this legendary band of soldiers. This gripping journal offers stark evidence that the Legion's reputation for pushing men to their breaking points and beyond is well deserved. In the fierce, sun-baked North African desert, strong men cracked under brutal officers, merciless training methods, and barbarous punishments. Yet Murray survived, even thrived. For he shared one trait with these hard men from all nations and backgrounds: a determination never to surrender. "The drama, excitement, and color of a good guts-and-glory thriller." -Dr. Henry Kissinger

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2020. Discover business theory beyond the classroom by exploring real-world international businesses through case studies; rely on a tried-and-tested Student's Book to ensure full coverage of the latest Cambridge IGCSE and O Level Business Studies syllabuses (0450/0986/7115). - Encourage understanding with engaging case studies and clear and lively text gradually building content knowledge. - Develop application and evaluation skills with hundreds of engaging activities and examination-style questions throughout. - Deepen understanding through systematic syllabus coverage and a spiral structure revisiting material in a structured way. - Navigate the syllabuses confidently with subject outlines clearly defined at the start of each chapter and syllabus-matching section headings. - Check understanding with revision checklists enabling reflection, and suggested further practice. - Reinforce learning with selected answers and additional multiple-choice questions as well as a glossary

of key terms online. Available in this series: Student Textbook Fifth edition (ISBN 9781510421233) Student eTextbook (ISBN 9781510420106) Whiteboard eTextbook (ISBN 9781510420113) Workbook (ISBN 9781510421257) Online Teacher's Guide (ISBN 9781510424128) Study and Revision Guide (ISBN 9781510421264)
