These short etudes explore a variety of keyboard patterns and articulations. The studies, limited to key signatures of three sharps or flats or less, develop legato phrasing, dynamic graduations and voicing. Approximately the same level of difficulty as K ö hler's 12 Easy Studies and Czerny's Practical Method for Beginners, Op. 599 and The Young Pianist, Op. 823.

Me And My Piano Part 1 takes the young pianist step-by-step through the early stages of piano technique, first with separate hands, then with a sequence of very easy pieces for hands together. All use a constant five finger hand position in the key of C major. Games and puzzles give elementary theory a new lease of life, and children will love the rhymes and songs introducing characters such the Ostrich, Sammy Squirrel and the Old Man with the Beard! Fanny Waterman and Marion Harewood's Me And My Piano series is probably the UK's most widely-used and biggest selling piano method. It is now published in a new edition including a new larger size, improved layout making it easier to read, a clean new look with new typesetting and music-setting and the instantly recognisable cover designs have been updated for extra vibrancy. Enchantingly illustrated, in full-colour throughout, this essential and irresistible book will encourage the young pianist to expand his or her learning in the most enjoyable way. This is the full eBook edition in fixed-layout format.

This book Chromatic Lines Over Standard Tune Chord Progressions is designed to free the improviser from the normal sounds that he or she usually plays. All the compositions are based off on the Triadic Chromatic Approach concept, so you will get a clear example of the sound itself from the combination of the Triadic Chromatic Approach and the standard progressions. For all Bb, Eb, C and Bass instruments. You will find in this book compositions and exercises with chromatic lines.

A time-honored tradition just got better! The John W. Schaum Piano Course has been newly revised with 100 percent new engravings and typesetting, highlighting for concept emphasis, updated song titles and lyrics, and illustrations.
